

mouse micro tach switch button click slight spec

Model: YD-0003-3.58

Specifcation of micro switch series

Temperature : -25-65°

Contact Resistance : ≤ 0.03 ohm

Insulation Resistance : ≥ 100 mohm

Withstand Voltage: AC300V(50Hz)/min

Lnsertion and Extraction Force : 60-70g

Life : > 100000

Switch Frequency : 300 times/min
